RE: *Illinois Initiative on Transparency in Learning and Teaching*
IRB Protocol Number: 10015

Dear Dr. Winkelmes:

This letter authorizes the use of human subjects in your extended project titled *Illinois Initiative on Transparency in Learning and Teaching*. The University of Illinois at Urbana-Champaign Institutional Review Board (IRB) approved the protocol as described in your IRB application, by exempt extension review. It has been determined that the research activities described in this application still meet the criteria for exemption at 45CFR46.101(b)(1).

This determination of exemption only applies to the research study as submitted. **Exempt protocols are approved for a maximum of three years.** Please note that additional modifications to your project need to be submitted to the IRB for review and exemption determination or approval before the modifications are initiated.

We appreciate your conscientious adherence to the requirements of human subjects research. If you have any questions about the IRB process, or if you need assistance at any time, please feel free to contact me or the IRB Office, or visit our website at <http://www.irb.illinois.edu>.

Sincerely,

Ronald A. Banks, Human Subjects Research Coordinator, Institutional Review Board
